

Dear Parents and Carers,

We are delighted to announce that, following our successful partnership with Claremont Primary and Nursery School in 2022, The Lime Trees will now also be taking on the management and delivery of the school's Breakfast Club provision.

Over the past few years, we have thoroughly enjoyed supporting Claremont families through our After School Club and are pleased to now be able to offer a complete wraparound childcare service for parents requiring both before and after school care.

At The Lime Trees, we pride ourselves on providing high-quality childcare that places children, parents and families at the heart of everything we do. Our clubs are designed to offer a safe, welcoming and engaging environment where children can socialise, play, learn new skills and enjoy their time with friends outside of the school day.

Our Breakfast Club will provide children with a positive start to the day, including a healthy breakfast and a range of activities before they head into class each morning.
